THANK YOU SOOOOO MUCH!

Thank you so very, very much to all of the families who gave the gift of Christmas to the Salvation Army. Please label all jackets with the child's name.

NUTRITION CALENDAR

Please remember to sign up your child to be host(ess) of the day by bringing in a special snack to prepare with their teacher for the class morning snack! Please be sure to list what snacks you are bringing, including something from at least two different food groups. A list of suggestions can be

provided to you at the front desk. Please remember that snack is an important part of a child's daily nutrition. Please no juice, sugary snack or junk foods!

KINERGARTEN – PRIMARY GRADES OPTIONS NIGHT

Presentation by Cheryll Ruszat, Executive Director

The Importance of the Next Four Years and Why These Are Critical for Your Child's Ongoing Academic Success

Miss Cheryll, Executive Director of the Montessori Schools of Irvine, will be hosting a special meeting to work with parents as they make this important lifetime decision for their children.

Many parents have questions regarding the choices for Kindergarten and primary grades. Based on our many years of experience and watching the increased success of our children who remain with Montessori through the crucial kindergarten through third grades, we would like to share with you some of the insights about how essential appropriate individualized learning is during the kindergarten through third grade years.

Cheryll will address the shift in development and the corresponding changes in the Montessori Curriculum. You will learn why Montessori Schools of Irvine children have gained an advantage from the Montessori primary curriculum that lasts throughout their formal education and into their adult lives.

The program will be held at our **VILLAGE Montessori** (4552 Sandburg Way, Irvine, CA 92612) school which is centrally located for the four schools. The meeting will be held on **Thursday, January 21st** and will begin promptly at 6:00 and last until 7:00. Due to the large group that usually attends and the amount of information being shared, this meeting **WILL NOT** be repeated this year.

Please register at the front office so that ample seating can be provided. Baby-sitting will be available for children 3 years (no diapers) and older for a charge of \$5 per child. The teacher at the door of the childcare room can be paid as you drop off your child that night.

SCHOOL READINESS DOCUMENTATION

A part of our NAEYC accreditation includes the good practice of formalized assessment for individualized curriculum planning and documentation (4.B). Each year Chancy & Bruce Educational Resources conducts readiness documentation for the children in our preschool and kindergarten programs. This evaluation is **REQUIRED** for children who plan to attend Kindergarten for the 2016-2017 school term (children who turn five on or before **September 1, 2016**). An optional preschool development assessment is also available should a parent be interested. (Please contact Chancy & Bruce for additional information). The screening dates are January 15, 20 & 22. More information and permission slips will be available in Friday Folders. Please return the permission slip and a check payable to Chancy & Bruce to the front office no later than Wednesday morning **January 13** as **each child's teacher must complete a portion** of the permission slip. Please mark your

calendars- your child's screening results will be available at a parent meeting, which will be held on Thursday, February 4.

IRVINE UNIFIED SCHOOL DISTRICT

The City of Irvine and IUSD will present an information night for parents interested in learning more about the IUSD Kindergarten Program and enrollment process for the 2016-17 school year, to be held Tuesday, February 9, 2016, at 7:00 PM in Council Chambers at the Irvine Civic Center located at 1 Civic Center Plaza, Irvine.
