ALL SCHOOL PICTURE DAY

Individual spring photos will be taken on Thursday, April 7th of our children. Our spring photos DO NOT require prepayment. You will receive a proof sheet approximately 2 weeks after the photos are taken and can place orders at that time. There is a sign posted in the front office which shows what the backdrop will look like. Photos will be taken in the morning before lunch only.

PARKING LOT REMINDER

Please help us keep our school safe for everyone! Please drive slowly through the parking lot, enter and exit the lot in the appropriate manner, and be sure not to park on red curbs or in handicapped spaces. ALSO – please do not block exits and DO NOT PARK AT AN ANGLE AT THE DROP OFF CURB!

NEW SUNSCREEN NEEDED!

Now that spring has arrived and we are enjoying longer sunny days, please bring in a NEW bottle of sunscreen (labeled with your child's name) for them to keep at school. We routinely throw away last year's supply at this time of year to ensure that all children are getting the safest and most effective coverage. As a reminder, please apply sunscreen to your child at home in the morning before school and we will reapply before afternoon playtime.

REMINDER: Please do not bring in "spray" sunscreens. THANK YOU!

MY CHILD NEEDS TO NAP – DON'T LET MY CHILD NAP!

It is the time of year for this common parent quandary to surface once again. Our teachers begin to hear either "Don't let my child nap" or "Make my child nap." While most children gradually stop napping in the year before kindergarten, it is important to recognize that this is a biologically individual progression for each child. When children are ready to "give up" their nap, it typically comes gradually; with a move into a still much needed down time even if they do not sleep. Children may start giving up naps at home on the weekends, but may still need a nap during a busy day at school. Often times, the transition involves laying down for nap and sometimes sleeping and other times just resting.

While all of our preschoolers have a rest period, it is impossible to force children to stay awake or fall asleep. The best way to determine if a child is ready to "give up" their nap is to watch their behavior. Tired children are unable to cope with every day activities and challenges. They become more negative and have social altercations with their friends and have decreased cognitive engagement. Some children who have been changed to a "rester" to avoid naps will also simply follow the biological calling and fall asleep in a chair or on a rug where they are doing a job!

Spring time often brings with it requests from parents for their child not to take a nap but become a "rester" instead. It also often accompanies the time change when it stays light longer making it even more difficult for children to give up the excitement of the day and go to bed. If the quest is to make bedtime easier, it is important to know that it is much more difficult to put an overtired child to sleep than one who is generally finished with the day. The key is to have quiet time before bed and perhaps a relaxing warm bath and story at a routine time. The routine nature of bedtime will start the process and the necessary sleep should follow easily.

If you think your child is actually maturing and "giving up" their nap, please consult with their teacher to determine if it is beneficial on the days that they are at school before making a decision that may make their afternoons with their friends more difficult. Your child's teacher will help you know when your child is beginning to transition into the mature pattern of resting instead of sleep.

UPDATE REMINDER . . .

Please remember to **update** your child's ID EMERGENCY information at the front desk. Updated information includes if you have moved, changed jobs, or changed **any** phone numbers or people with permission to pick up your child. Please remember to also update your child's immunization record if they have received any new vaccinations or health information. Thank you!

END OF CONTINUING REGISTRATION

The enrollment deadline for continuing registration for ALL children was at the end of February. We have begun to fill openings from our waiting list and we want to be sure that your child's enrollment is considered first. Just a reminder, if you registered that your child will be leaving at the END of the summer, you have confirmed that you will be completing your tuition contract through the month of August as enrollment for the summer will close based on your confirmation and another child will not be enrolled to take your child's spot should you change your mind. Please notify the office IMMEDIATELY if there is an error. Thank you for assisting us in meeting your needs in a timely manner.

TEACHER APPRECIATION WEEK

The week of May 2-6, 2016 is National Teacher Appreciation Week! An extra smile and "thank you" for your child's teacher are greatly appreciated gifts.
